## Sun cream for children attending Nursery all day

Parents of children that attend for a half day should apply sun cream to their child at home.

For those children that attend for a full day, parents should apply cream to their children before they come to nursery and staff will assist the child in re-applying it during the day when necessary.

Parents are required to provide the nursery with appropriate sun cream for their children.

Parents are asked to give written permission for sun cream to be applied to their children, please fill in the slip below. If you do not give permission for school staff to apply the cream, please can you speak to the nursery staff about an alternative plan.

Thank you

Nursery team

-----  
I give permission for the school staff to apply sun cream to my child in the afternoons. I will provide the nursery with sun cream and will apply to my child before school.
