

HEARTWOOD PARK AND STRIDE

We are encouraging all families and staff to park at Theatre Street car park and walk the rest of the short journey to school. You can use the zebra crossing or school patrol crossing to safely cross London Street.

Walking to school is beneficial for children's mental health. Studies have shown that physical activity can help reduce stress and anxiety, improve mood, and boost self-esteem.

Theatre Street Car Park, Theatre Street, Swaffham, PE37 7HF

Let's support our Heartwood Heroes in this campaign

This will improve both issues of unsafe parking and traffic congestion around the school at drop off and collection times, whilst also having the positive impact of creating a more welcoming environment and cleaner air for families, staff, the local community and importantly the children of Heartwood.

LET'S PARK AND STRIDE!
