

Summer 2

Minimus Chapter 6

KEY RULES:

- words we use to talk about actions are called verbs. For example, Corinthus is **writing**. In Latin, we show who is doing the verb (the subject) by changing the ending of the verb.
- Words we use to describe a noun are called adjectives. In Latin, you must change the ending of the adjective to agree with the noun.
 - If the noun is feminine, the adjective ending must be feminine.
E.g. ancilla **benigna** est (the slave girl is kind)
 - If the noun is masculine, the adjective ending must be masculine.
E.g. gladius **maximus** est (the sword is very big)
 - If the noun is plural, the adjective ending must be plural.
E.g. pilulae **pulchrae** sunt (the beads are beautiful)

The city of York was very important to the Romans. They called it **Eboracum**.

Key vocabulary

Latin	English
vādō	I go/I am going
