

## Heartwood CE VC Primary School – Competition policy

At Heartwood primary school we believe that all pupils have a right to e competition whether within our own school, or against other schools. We believe competition provides pupils with broader life skills which will support their lerning and academic achievement. Skills such as resilience, perseverance, teamwork, communication, problem solving (and many more) are achieved in a healthy competition environment.

At the very heart of competition, is a pupils desire to improve their own personal best; we believe all puoils should have a growth mindset and the ambition to improve their personal best within PE, physical activity, and school sport, as well as within their academic studies.

It is the right of every pupils to represent their school in competition activity and we strive for 100% of pupils to have this right every year.
