### How you can help at home:

**Reading:** It is so crucial for children to read at home, as well as to be read to! The easiest way is for it to become part of their daily routine. Aim for 5 times a week (!). Reading records are to be brought to school every Friday.

**Times tables:** Year 4 children need to know their times tables 'at the click of a finger' by the end of the year. Practising at home 5 times a week (TTRS or MyMaths) will REALLY help – I have seen children 'crack' their tables just through this regular practise!
