Year 1 – science- human body

Key Vocabulary	
sight	Your eyes let you see all the things around you.
hearing	Your ears let you listen to all the things around you. Your brain is able to tell what different sounds are.
touch	Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!
taste	Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't.
smell	You smell using your nose. Your nose can tell if things smell nice or not nice.

Senses

sight

hearing

touch

taste

smell

Family trees-
Tell us who are in our family

History – Guy Fawkes – year 1

Bonfire Night

Did you know that the failure of the **Gunpowder Plot** is remembered every year on 5th November?

People light bonfires and set off fireworks.

Key Facts

What was the **Gunpowder Plot**?

The **Gunpowder Plot** was a **plot** to kill **King James I** and his government by blowing up the Houses of Parliament.

Why was there a **plot**?

The plotters were all **Catholic**. They thought that **King James I** was being unfair to **Catholics** because he was a **Protestant**. They did not want him to be the king any more.

Did the **plot** succeed?

The **plot** failed. **Guy Fawkes** was found with **gunpowder** in the cellar at the Houses of Parliament.

Key People
