

Otter Class Key Learning—Summer 2

Maths

We will be looking at statistics, and how we can represent and interpret different types of data.

We will then be learning about time and shape.

ART/ DT

We will be looking further into wearable device and exploring with the micro bits. After this we will be exploring how we can create sculptures considering abstract shape and space.

History

We will be learning about the Normans, who they are and what they did.

We will also be focusing on Gypsy Roma Traveller and the history around why do some GRT communities move around.

Geography

This half term we will be focusing on retrieval of previously taught information including, what is a habitat, the effects of fishing in the Mediterranean sea and Indonesia and palm oil. Including the key points on a globe.

Computing

Computing we will be looking into events and actions, thinking about how to create an algorithm and the steps a computer needs to complete a task.

Forest

Forest is on a Tuesday, please send children in wearing long trousers, sun cream and a hat.

PE

Please send in ready for PE on a Monday and a Friday, we will be focusing on cricket.

English

We will be writing in information text to inform based on our previous science unit: forces and magnets.

We will then be focussing on writing a playscript based on our class reader: Stig of the Dump.

Science

We will be finishing our plants unit and focussing on retrieving our previously learnt knowledge.

Life skills

Please see separate letter about life skills this half term.

Tuesday – Forest
Monday and Friday- PE kits
