Kid Normal and the Rogue Heroes
Greg James, Chris Smith & Erica Salcedo
Storytime (extract)
Read by Greg James & Chris Smith

Dates to know:

1st June – 12th June
Multiplication check

25th June:
Trip to Viridor

30th June
Trip to Dragon Hall

3rd July
Colour Run

13th & 14th July
Class Transition days

16th July
End of year church service

Next half term, we will be looking at telling the time, using both an analogue and digital clock in maths. Some children find it difficult to tell the time due to its abstract nature. It would be really helpful if you could complement and support this learning at home by incorporating the time into your daily lives.

Homework: To ensure pupils are ready for Year 5, if homework isn't completed, by the deadline on MyMaths, they will be required to complete this at breaktime. If you require a paper copy of the homework, please speak to either Mrs Jex or Mrs Jones.

Important!

The Year Four statutory multiplication check will take place during the first and second week of the summer 2 half term (1st – 12th June). Results for this will be published in your child's end of year report.
