

Key Learning in Mouse Class

Autumn 1

What's special about me?

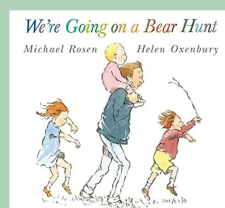

Rhyme to practise at home:

**Five little monkeys
jumping on the bed**

Key stories to explore and enjoy:

How you can help at home:

- Sing nursery rhymes
- Read stories and talk about what is happening.
- Practice putting on coats and wellies independently.
- Go on a colour hunt, looking for objects of different colours.

Maths:

- Colours—learning to identify, name and sort colours.
- Matching objects
- Sorting objects
- Learning counting songs

Key skills:

- Building relationships with other children and adults.
- Developing confidence to explore our new classroom.
- Learning about each other—our interests, likes and dislikes and celebrating our differences
- Joining in with new routines and following instructions.

Nature:

Forest School will start this half term— we will be in touch to let you know when!

Go on a walk and see what colours you can see in nature,
